# **Equity Research**

# Quintiles Transnational Holdings, Inc.

Q: Q4 2013 Earnings First Look

- **Bottom line.** Quintiles reported a strong quarter, beating both revenue and EPS consensus. The PDEV segment was stronger than expected partially offset by a weaker-than-expected IHS segment. Looking forward, bookings were strong in both segments, driving 2014 guidance that is meaningfully above consensus. As such, we expect the stock to be strong today (2/13).
- Revenue. \$1,004MM vs. \$983MM (Wells Fargo est) and \$982MM (consensus).
- EPS. \$0.58 vs. \$0.54 (Wells Fargo est) and \$0.55 (consensus).
- Operating margin. 12.9% vs. 12.9% (Wells Fargo est) and 13.3% (consensus).
- **Segments.** PDEV revenue of \$775MM vs. \$756MM (Wells Fargo est) and \$744MM (consensus). PDEV operating margin of 19.7% vs. 18.8% (Wells Fargo est). IHS revenue of \$229MM vs. \$227MM (Wells Fargo est) and \$240MM (consensus). IHS operating margin of 5.1% vs. 5.5% (Wells Fargo est). Corporate overhead was significantly higher than expected at 3.5% of revenue versus our expectation of 2.8%.
- **Bookings.** Book-to-bill of 1.29 vs. 1.20 (Wells Fargo est). Net bookings were \$1.3B vs. \$1.2B (Wells Fargo est). PDEV book-to-bill was 1.24, while IHS book-to-bill was 1.47.
- **2014 Guidance.** Issued 2014 EPS guidance of \$2.33-2.46 on revenues of \$4.09-4.15B. Current 2014 consensus stands at EPS of \$2.31 on revenue of \$4.08B.
- Conference call. 8:00 a.m. ET. 855.484.7367.

# Valuation Range: \$52.00 to \$54.00

Our valuation range is DCF-based (WACC = 8.0%; terminal NOPLAT growth = 2%) and represents 23.5x our 2014 EPS estimate and 10.8x our 2014 EBITDA estimate. Risks include: (1) project cancellations or delays due to client M&A, economic weakness, pipeline reprioritization, or compound failure; (2) a reversal in the trend toward increased outsourcing; (3) lack of improvement in the IHS segment; (4) margin pressure from strategic relationships; (5) foreign exchange volatility; and (6) large insider ownership.

#### **Investment Thesis:**

We believe Quintiles is a leader in several capacities (size, operational efficiency, strategic savvy) in a secular growth industry, creating a favorable risk/reward profile for long-term holders.

Together we'll go far

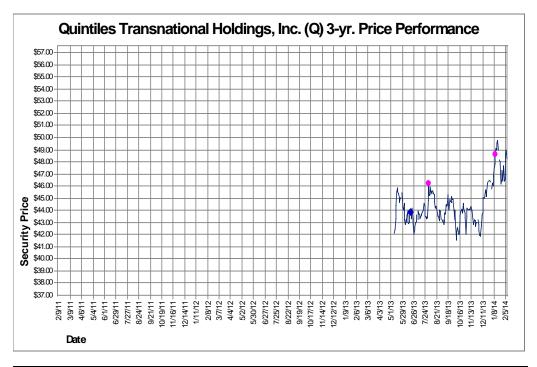

### **Company Description:**

Based in Durham, North Carolina, Quintiles Transnational Holdings, Inc. is the largest contract research organization by revenue, providing both clinical trial management services and contract sales services to pharmaceutical and biotechnology clients. The company operates in two segments: Product Development (PDEV) and Integrated Health Services (IHS). PDEV provides a range of clinical trial services including study design, investigator recruitment, site start-up, patient recruitment, clinical monitoring, project management, phase I, bioanalytical services, biostatics, central lab, genomics services, strategic planning, and a range of consulting services. The vast majority of the IHS business consists of contract sales and related commercial services, but the segment also contains peri-approval clinical trial services as well as services provided to payers and healthcare providers. In addition to being the industry's largest CRO, Quintiles is differentiated from peers by its exposure to the contract sales business.

#### I certify that:

- 1) All views expressed in this research report accurately reflect my personal views about any and all of the subject securities or issuers discussed; and
- 2) No part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by me in this research report.
- Wells Fargo Securities, LLC maintains a market in the common stock of Quintiles Transnational Holdings, Inc.
- Wells Fargo Securities, LLC or its affiliates managed or comanaged a public offering of securities for Quintiles Transnational Holdings, Inc. within the past 12 months.
- Wells Fargo Securities, LLC or its affiliates intends to seek or expects to receive compensation for investment banking services in the next three months from Quintiles Transnational Holdings, Inc.
- Wells Fargo Securities, LLC or its affiliates received compensation for investment banking services from Quintiles Transnational Holdings, Inc. in the past 12 months.

- Wells Fargo Securities, LLC and/or its affiliates, have beneficial ownership of 1% or more of any class of the common stock of Quintiles Transnational Holdings, Inc.
- Quintiles Transnational Holdings, Inc. currently is, or during the 12-month period preceding the date of distribution of the
  research report was, a client of Wells Fargo Securities, LLC. Wells Fargo Securities, LLC provided investment banking services to
  Quintiles Transnational Holdings, Inc.
- Quintiles Transnational Holdings, Inc. currently is, or during the 12-month period preceding the date of distribution of the
  research report was, a client of Wells Fargo Securities, LLC. Wells Fargo Securities, LLC provided noninvestment banking
  securities-related services to Quintiles Transnational Holdings, Inc.
- Wells Fargo Securities, LLC received compensation for products or services other than investment banking services from Quintiles Transnational Holdings, Inc. in the past 12 months.
- Wells Fargo Securities, LLC or its affiliates has a significant financial interest in Quintiles Transnational Holdings, Inc.
- Wells Fargo Securities, LLC or its affiliates intends to seek or expects to receive compensation for investment banking services in the next three months from an affiliate of Quintiles Transnational Holdings, Inc.

**Q:** Risks include: (1) project cancellations or delays due to client M&A, economic weakness, pipeline reprioritization, or compound failure; (2) a reversal in the trend toward increased outsourcing; (3) lack of improvement in the IHS segment; (4) margin pressure from strategic relationships; (5) foreign exchange volatility; and (6) large insider ownership.

Wells Fargo Securities, LLC does not compensate its research analysts based on specific investment banking transactions. Wells Fargo Securities, LLC's research analysts receive compensation that is based upon and impacted by the overall profitability and revenue of the firm, which includes, but is not limited to investment banking revenue.

#### STOCK RATING

**1=Outperform:** The stock appears attractively valued, and we believe the stock's total return will exceed that of the market over the next 12 months. BUY

**2=Market Perform:** The stock appears appropriately valued, and we believe the stock's total return will be in line with the market over the next 12 months. HOLD

**3=Underperform:** The stock appears overvalued, and we believe the stock's total return will be below the market over the next 12 months. SELL

#### SECTOR RATING

**O=Overweight:** Industry expected to outperform the relevant broad market benchmark over the next 12 months.

**M=Market Weight:** Industry expected to perform in-line with the relevant broad market benchmark over the next 12 months.

**U=Underweight:** Industry expected to underperform the relevant broad market benchmark over the next 12 months.

# **VOLATILITY RATING**

**V** = A stock is defined as volatile if the stock price has fluctuated by +/-20% or greater in at least 8 of the past 24 months or if the analyst expects significant volatility. All IPO stocks are automatically rated volatile within the first 24 months of trading.

### **Important Disclosure for International Clients**

**EEA** – The securities and related financial instruments described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. For recipients in the EEA, this report is distributed by Wells Fargo Securities International Limited ("WFSIL"). WFSIL is a U.K. incorporated investment firm authorized and regulated by the Financial Conduct Authority. For the purposes of Section 21 of the UK Financial Services and Markets Act 2000 ("the Act"), the content of this report has been approved by WFSIL a regulated person under the Act. WFSIL does not deal with retail clients as defined in the Markets in Financial Instruments Directive 2007. The FCA rules made under the Financial Services and Markets Act 2000 for the protection of retail clients will therefore not apply, nor will the Financial Services Compensation Scheme be available. This report is not intended for, and should not be relied upon by, retail clients.

**Australia** — Wells Fargo Securities, LLC is exempt from the requirements to hold an Australian financial services license in respect of the financial services it provides to wholesale clients in Australia. Wells Fargo Securities, LLC is regulated under U.S. laws which differ from Australian laws. Any offer or documentation provided to Australian recipients by Wells Fargo Securities, LLC in the course of providing the financial services will be prepared in accordance with the laws of the United States and not Australian laws.

**Hong Kong** – This report is issued and distributed in Hong Kong by Wells Fargo Securities Asia Limited ("WFSAL"), a Hong Kong incorporated investment firm licensed and regulated by the Securities and Futures Commission to carry on types 1, 4, 6 and 9 regulated activities (as defined in the Securities and Futures Ordinance, "the SFO"). This report is not intended for, and should not be relied on by, any person other than professional investors (as defined in the SFO). Any securities and related financial instruments described herein are not intended for sale, nor will be sold, to any person other than professional investors (as defined in the SFO).

**Japan** — This report is distributed in Japan by Wells Fargo Securities (Japan) Co., Ltd, registered with the Kanto Local Finance Bureau to conduct broking and dealing of type 1 and type 2 financial instruments and agency or intermediary service for entry into investment advisory or discretionary investment contracts. This report is intended for distribution only to professional investors (Tokutei Toushika) and is not intended for, and should not be relied upon by, ordinary customers (Ippan Toushika).

The ratings stated on the document are not provided by rating agencies registered with the Financial Services Agency of Japan (JFSA) but by group companies of JFSA-registered rating agencies. These group companies may include Moody's Investors Services Inc, Standard & Poor's Rating Services and/or Fitch Ratings. Any decisions to invest in securities or transactions should be made after reviewing policies and methodologies used for assigning credit ratings and assumptions, significance and limitations of the credit ratings stated on the respective rating agencies' websites.
